1) Pursuant to Article 20, paragraphs 1 to 5, of Legislative Decree 231/2007, the criteria for determining the beneficial ownership of clients other than natural persons are as follows: "1. For clients other than natural persons the beneficial owner is the natural person or persons to whom direct or indirect ownership or control of the entity is ultimately attributable. 2. If the client is a joint-stock company: a) the ownership of more than 25 per cent of the client's capital, held by a natural person, is considered as direct ownership; b) the ownership of more than 25 per cent of the client's capital, held through subsidiaries, trust companies or third parties, is considered as indirect ownership. 3. In cases where an examination of the ownership structure does not allow the unambiguous identification of the natural person or persons to whom the direct or indirect ownership of the entity is attributable, the beneficial owner is the natural person or persons to whom the control of the entity is ultimately attributable by virtue of: a) control of the majority of the votes exercisable in ordinary shareholders' meetings; b) control of votes sufficient to exercise a dominant influence in ordinary shareholders' meetings; c) the existence of particular contractual obligations that allow the exercise of a dominant influence. 4. In the event that the client is a private legal entity, as per Presidential Decree No. 361 of 10 February 2000, the following are cumulatively identified as beneficial owners: a) the founders, if alive; b) the beneficiaries, if identified or easily identifiable; c) the holders of management and administration functions. 5. Where the application of the criteria set out in the preceding paragraphs does not enable one or more beneficial owners to be clearly identified, the beneficial owner(s) shall correspond to the natural person(s) holding, in accordance with their respective organisational or statutory structures, legal representation, administration or management powers of the company or client in any case other than the natural person".
